Dear AHS Class of 2020 and Families,

We started the year with so many of our traditional activities being impacted by the EEE restrictions, and now the Coronavirus has changed all of our lives as we know it. It is completely understandable to be upset and sad about these circumstances that have been beyond your control.

Although it is not easy, I encourage you to reflect on so many positive things that have taken place. You have been very successful this year in the realms of service; performing arts; visual arts; athletics; and, of course, your academic performance. Those are memories that no virus can ever take away from you! Your legacy as a class is outstanding, and your resilience in this moment will only strengthen it. You have always been a source of strength for each other. Continue to be there for your family and friends. Continue to inspire each other!

Until we meet again...
In the strongest sense of ***Blue Pride***, I remain,
Bill Runey

Dear Mrs. Larson and Mrs. Botsford Milne,

Having you both as our Class Advisors for our four years of high school has truly been amazing.

You both are not just wonderful teachers,
but wonderful people as well.

Planning class events and fundraisers with you has been so much fun!

Thank You for all that you both have done for all of us!

I can't believe how fast these 4 years went by.

The whole ***Class of 2020*** will surely miss you.

Sincerely,

Ben Wood, President (Class of 2020)
